

UC DAVIS WOMEN'S ROWING

Winter 2017

SCRIMMAGE WITH ST. MARY'S COLLEGE

Getting Racing Season Underway

The long winter training season proved challenging with the weather as northern California received more rain than it has in many years. With many land days and wet weather days, the oarswomen were grateful for a clear day, ready to kick things into racing gear. The Varsity 8 and the Novice 8 got in some good work on the water with the St. Mary's first and second Varsity 8s. We also welcomed a strong set of eager new recruits for the novice team during winter quarter. These ladies got their first taste of competition while racing against the St. Mary's novice crew in Fours. With an overall strong performance against the Division 1 team, our crew is looking forward to the coming spring season.

"AS A COLLEGE FRESHMAN, I WANTED TO FIND A NEW THING TO ENJOY WITH OTHER PEOPLE AND THE TEAM LOOKED SO WELCOMING. I DEFINITELY MADE THE RIGHT CHOICE." -KARISHMA JOHNSON. WINTER RECRUIT

Big thanks to the Donaldson family for hosting the team at their home for a post race barbeque!
